

Seat no:- \_\_\_\_\_

**B.sc.IT – Semester – 4**

**March/April-2015**

**Paper No 402. Visual Programming using.NET - 4788**

**Time: 2 Hours**

**Marks: 70**

- Q – 1 (A) Explain For loop with example 07  
(B) Explain parameterized Function with example. 07  
**OR**
- Q – 1 (A) Write a short note on CLR in detail. 07  
(B) Explain all data types of console application. 07
- Q – 2 (A) Explain click, load, key press, mouse move events. 07  
(B) Explain timer control with example. 07  
**OR**
- Q – 2 (A) What is event handling? Explain Lost focus & Got Focus event. 07  
(B) Explain list box and Radio button with example. 07
- Q – 3 (A) Explain menu strip control in detail. 07  
(B) Give difference between picture box and Image box control. 07  
**OR**
- Q – 3 (A) Explain open, font and color dialog box. 07  
(B) Explain progress bar control in detail. 07
- Q – 4 (A) What is Inheritance? Explain Inheritance in detail. 07  
(B) Explain Abstraction and Encapsulation 07  
**OR**
- Q – 4 (A) Write a short note on Polymorphism 07  
(B) Define : class, object, property, method, event, constructor, destructor 07
- Q – 5 (A) Explain data set object in detail. 07  
(B) Write a code of Add record in database. 07  
**OR**
- Q – 5 (A) Explain data adapter object in detail. 07  
(B) Write a code of delete record in data base. 07
